FUTURE INSTITUTE OF ENGINEERING AND MANAGEMENT

About Us

Future Institute of Engineering and Management established in the year 2002 offers two years Master of Computer Applications (MCA) course approved by AICTE and affiliated to MAKAUT University. The MCA programme commenced in the year 2007 and since its inception our focus was to deliver high quality education with modern teaching pedagogy consistent with Industry requirements. Apart from University course curriculum we from Computer Applications department frequently organize National Seminars, workshops, industry driven value added courses for our students and faculty members to imbibe in them recent trends of technology and their applications. The department boasts of a very strong alumni base with several alumni members associated with MNC's like Erickson, Amazon, Oracle, HP to name a few, some have also become successful entrepreneurs. We also encourage our students to participate in different types of technical and cultural fests, project competitions, sports events organized by the various clubs at Institute level to stimulate their holistic development.

At the bottom-line of any professional course is the placement facility provided. This Institute has earned a unique reputation amongst the private engineering colleges of Bengal for providing outstanding placements opportunities thru top of the line IT companies over a decade.

Eligibility Criteria

Candidates are admitted based on JECA entrance rank followed by allotment through counseling conducted by West Bengal Joint Entrance board.

Latest Technologies offered

Besides MAKAUT course curriculum students have the unique opportunity to learn any of the cutting edge technologies which are now in high demand in the software industry.

- ☒ Mean and Mern stack development
- ☒ Full stack development
- ☒ PHP with React and Angular JS
- ☒ Data Science using Python
- ☒ Andriod app development
- ☒ ML and AI using Python

MASTER OF COMPUTER APPLICATION (MCA)

2 YEARS DEGREE COURSE

Intake : 60 Seats

APPROVED BY AICTE
AFFILIATED TO MAKAUT

FEE STRUCTURE

Admission Fees :	23,000/-
Tuition Fees : (4 X 57,000/-)	2,28,000/-

Discussion Panel

Prof. Tapas Roy
HOD, Department of Computer Science and Engineering

Prof. Prosenjit Mukherjee
Asst. Professor
Department of Information Technology

Prof. (Dr.) Anirban Chakrabarty
HOD
Dept. of Computer Application

In Discussion Panel from students of IT Department

Sarfaraz Ahmad
MindTree
Cognizant

Janhavi Ojha
Infosys Specialist Programmer

Soumya Samanta
COGNIZANT
MINDTREE
WIPRO

Debdip Sarkar
WIPRO
CARGENEWS
MINDTREE

WIPRO

Sweta Shekha
WIPRO
BIRLASOFT

From the Placement Cell
Ms. Puja Roy Gangopadhyay
Head Corporate Communications and Relations

Mr. Smarajit Bhattacharya
Senior Solutions Architect,
Mindtree

14+ years of experience in top tier multinational IT service companies. Domain: Data Engineering, Big data and Dimensional data modelling.

Dr. Arijit Mukherjee
Senior Scientist
TCS Research

One of the main researchers in internationally acclaimed projects which contributed to the development of W3C standards for Web Services/JCA.

Mr. Rahul Singh
BCA alumnum (2015-2018)
Technical Architect,
BlueVector AI

Worked for Deloitte earlier where he was part of implementation team for Fortune 20 companies.

Day-1 (7th April)

IT is your career

Day-2 (8th April)

- Data Engineering & Big data
- Neuromorphic Computing

FUTURE++ LECTURE SERIES

Organising Committee Members
Faculty and Students of Information Technology and Computer Applications Department.

Convener
Dr. Anirban Chakrabarty, HOD, CA Dept.
Prof. Prosenjit Basu, HOD, IT Dept.

Joint Convener
Prof. Arindam Sinharay, IT Dept.
Prof. Ashokkumar Pal, CA Dept.
Prof. Niladri Shekhar Datta, IT Dept.
Prof. Indrajit Pal, CA Dept.
