FUTURE INSTITUTE OF ENGINEERING AND MANAGEMENT
FUTURE INSTITUTE OF TECHNOLOGY

About the Colleges

Future Institute of Technology and Future Institute of Engineering and Management were established by a core group of academicians from IIM Calcutta, IIT Kharagpur, Jadavpur University and other professionals in the field of management and engineering with the objective of developing an integrated centre for education, training, research and consultancy with academic and technical quality as the basic drivers. The institute offers excellent academic environment to motivate students, empower them with knowledge, skill, and inspire them to take decisions for creating value. We are dedicated in the pursuit of excellence and offer offer unmatched learning experience for students, across a broad spectrum of academic fields. Our strategic collaborations, industry-oriented pedagogy and strong industry network enhance the student preparedness to face the challenges of the industry as modern professionals.

Collaborations

- The institute teams up with Infosys Campus Connect Program **Infosys**
- Future Institute of Technology associates with North Dakota State University-USA for various kinds of developmental programmes
- The institute partners with Wadhwani Foundation - NEN (National Entrepreneurship Network) for leadership and skill development **WADHWANI FOUNDATION** **NEN** NATIONAL ENTREPRENEURSHIP NETWORK
- The institute collaborates with Jadavpur University for high-end workshops, use of libraries and other educational resources

Students Amenities

- 3 AC Auditoriums with 100, 300 and 850 seater capacities
- Lunch and Snacks Canteen
- Full-Sized Cricket / Football / Basketball Ground
- Indoor Games and Recreational Facilities
- Dedicated Internet Connectivity and Browsing Facilities
- Reprographic Services
- Round-the-clock medical attendance and tie-up with local healthcare clinics for medical emergency
- Local nursing homes and polyclinics

Campus Facilities

Both campuses are located at convenient locations with a green and stimulating environment for academics and all-round development of students. The built-up institutional area of FIEM currently measures four lacs square feet and FIT measures about 2 lac square feet with state-of-the-art physical and virtual library and computing facilities with 24 X 7 lease line connectivity. The institute enjoys easy accessibility to public transportation facilities, including buses, minibuses, auto, train and metro rail.

Tie-Up Hostel Facilities

Arrangements are made for accommodation in tie-up hostel facilities in the immediate vicinity of the campus, seperately for boys and girls.

Streams	Future Institute of Engineering and Management	Future Institute of Technology
Computer Science and Engineering (CSE)	120 Seats	60 Seats
Computer Science and Engineering - Data Sc. (CSE-DS)	60 Seats	NA
Computer Science and Engineering - Artificial Intelligence and Machine Learning (CSE AI ML)	NA	60 Seats
Computer Science and Engineering - Internet of Things with Cyber Security including BlockChain Technology (CSE IOT-C-S-BCT)	NA	60 Seats
Information Technology (IT)	60 Seats	NA
Electronics and Communication Engineering (ECE)	120 Seats	60 Seats
Electrical Engineering (EE)	60 Seats	30 Seats
Mechanical Engineering (ME)	60 Seats	NA
Civil Engineering (CE)	NA	30 Seats

Training & Placement

The department strives to provide the best learning experience, with emphasis on knowledge application and acquisition. Our Training and Placement is a dynamic and proactive department that works extra miles to develop the core competencies of the students to make them industry-ready professionals. The department creates effective industry interface with students by organizing interactive seminars and lectures with industry stalwarts. The department also focuses in enhancing the employability skills of the students with personality development, soft skill grooming, CV making and interview skills.

Placement Accreditations

Cognizant | WIPRO Applying Thought | Capgemini | Infosys | ITC INFOTECH Business friendly Solutions | TATA CONSULTANCY SERVICES

Internships and Placements

Apart from IT companies, FIEM and FIT specializes in internships with core engineering Companies like :

Burn Standard Co. Ltd | Bridge and Roof Co. (India) Ltd | Shapoorji Pallonji Co Limited | Garden Reach Shipbuilders & Engineers Ltd | CPWD | M. N. Dastur & Co. (P) Limited | Jalvayu Sampad | WBSEDCL | CESC | West Bengal Power Development Corp. | Haldia Petrochemicals Limited | Electro Steel Castings Ltd | Eastern Railways | Tata Ryerson Limited and many more.

Workshops and Laboratories

FIEM currently has 72 and FIT has 48, state-of-the-art workshops and laboratories those are highly acclaimed by the academia and industry for their infrastructural standards.

Computer Centre

The central computing facilities along with special purpose and departmental advanced computer labs consists of state-of-the-art features with 1760 plus Dual Core Computer at present, connected through structured LAN and 16 Mbps leased line internet connectivity.

Eligibility

For BTech : HS (10+2) examination of the West Bengal Council of Higher Secondary Education or any equivalent Board. Through WBJEE/JEE-Main

Admission Procedure

For BTech : Through West Bengal Joint Entrance Examination (WBJEE) / JEE Main / JELET (Lateral)

Fee Structure

Yearly Tuition Fees

BTech	1st Year : Rs. 84,000/-	2nd Year : Rs. 94,000/-	3rd Year : Rs. 98,000/-	4th Year : Rs. 1,00,000/-

Facilities available for students : Student Credit Card | Swami Vivekananda Scholarship | All Minority Scholarship

Library Facilities

The institute library has online access through LIBSYS and a commendable collection of over 1,10,000 books and periodicals. Moreover, the libraries subscribe to over 200 international and national journals including e-journals. The institute also has Digital Library facility that possesses phenomenal collection of books, project reports, question papers.

Our Prominent Recruiters

Students Achievements

- FIEM students from Department of CSE emerged as winners in Smart India Hackathon 2019 organized at IIT Roorkee.
- Young Innovators, Soumesh, Ratul, Tiash & Amit for EE Dept, FIEM were chosen to be one of the top six teams among 125 participants to exibit their innovation at Aero India 2019-Student Pavilian
- Sahil Khan, Sourin Das, Faruk Ahamed, Santanu Ghosh from FIEM, Department of EE won INAE YOUTH CONCLAVE at IIT Kharagpur.
- Five students from FIEM, Department of EE namely Tiash Ghosh, Ratul Kishore Saha, Arabinda Bose, Amith Achuthanunni, Shomesh Kumar Singha were shortlisted to present their project, QuadCopter in the final round of DRDO Robotics and Unmanned Systems Exposition, DRUSE'18 at Pune.
- Samiul Mamud, Bitan Bhowmick, Shubham Biswas, Samujjal Biswas from FIEM, Department of ECE, won India Innovation Challenge Design Contest 2017 sponsored by DST & TEXAS INSTRUMENTS, anchored by NSRCEL at IIM BANGALORE.

Students Speak

Jit Roychudhury
MCA 2011, FIEM
MTech, IIT Kharagpur
CEO, Auro Robotics,
San Francisco, California

We are the first batch of futurites to top the II Robotics Fesr. Today, my company creates self driving electric cars. Looks like I'm living my dream.

Soumini Basu
B.Tech, 2012, EIE, FIEM
MBA, IIM Indore
Systems Engineer, IBM

A little leadership sure goes a long way! Managing teams at future, right from my days as a student, helped me build my people skills, and indulge in my fair for networking. Today, I head the placement committee at IIM Indore and I am all set to start my own venture!

Manali Chowdhury
MBA, 2013-15
HDFC Bank

My dream sector was banking and FBS made it possible with placements at one of the largest private banks - HDFC.
